Thank you so much for helping to support our Relay for life team, "Hope Striders" by affording us the opportunity for some of our members to stay at your hotel @ a reduced rate. Because of people like you our team was able to make over \$10,000 for this worthy cause!

Kate and Michelle,

Thank you so much for all of your help with the preparations for your wedding reception and for making sure it all went perfectly. It was the best day of our lives and we can't wait to come back to the Inn soon! Thank you again

We love your place. It is comfortable and large, while remaining intimate. We know we can skip over for meals, which, by the way, are just marvelous, from the nachos and oversized Pinot Noir I had the first night just before closing, to the amazingly well cooked breakfast, to the lovely meal we shared on our last evening with my daughter and all my brothers and sisters (after the funeral). We were made to feel very welcome.

We are very happy to know you are there whenever we need to come down to visit my family. We found out about you because we stayed at Motel 6 the first night in July and were unsatisfied, and when we went to stay at Super 8 they were full. It was actually Super 8 who suggested we call you and they called you for us.

Anyways, we are very satisfied with our stay. We find it is just enough, without being overdone. You put the emphasis on the right things, i.e. no scents rooms and excellent meals, combined with pleasant service.

Greetings!

I absolutely LOVE staying at the inn. I travel a lot on business and it is so nice to stay in a place where I feel safe and cared for, the restaurant is fabulous! I absolutely look forward to staying at the inn again and to a wonderful meal. In fact, I think I'll be there this Wednesday as I'm working at Heywood Hospital on Thursday.

Have a lovely day!

Jennifer
